# PILOT PROJECT SMART ECO-SOCIAL VILLAGES

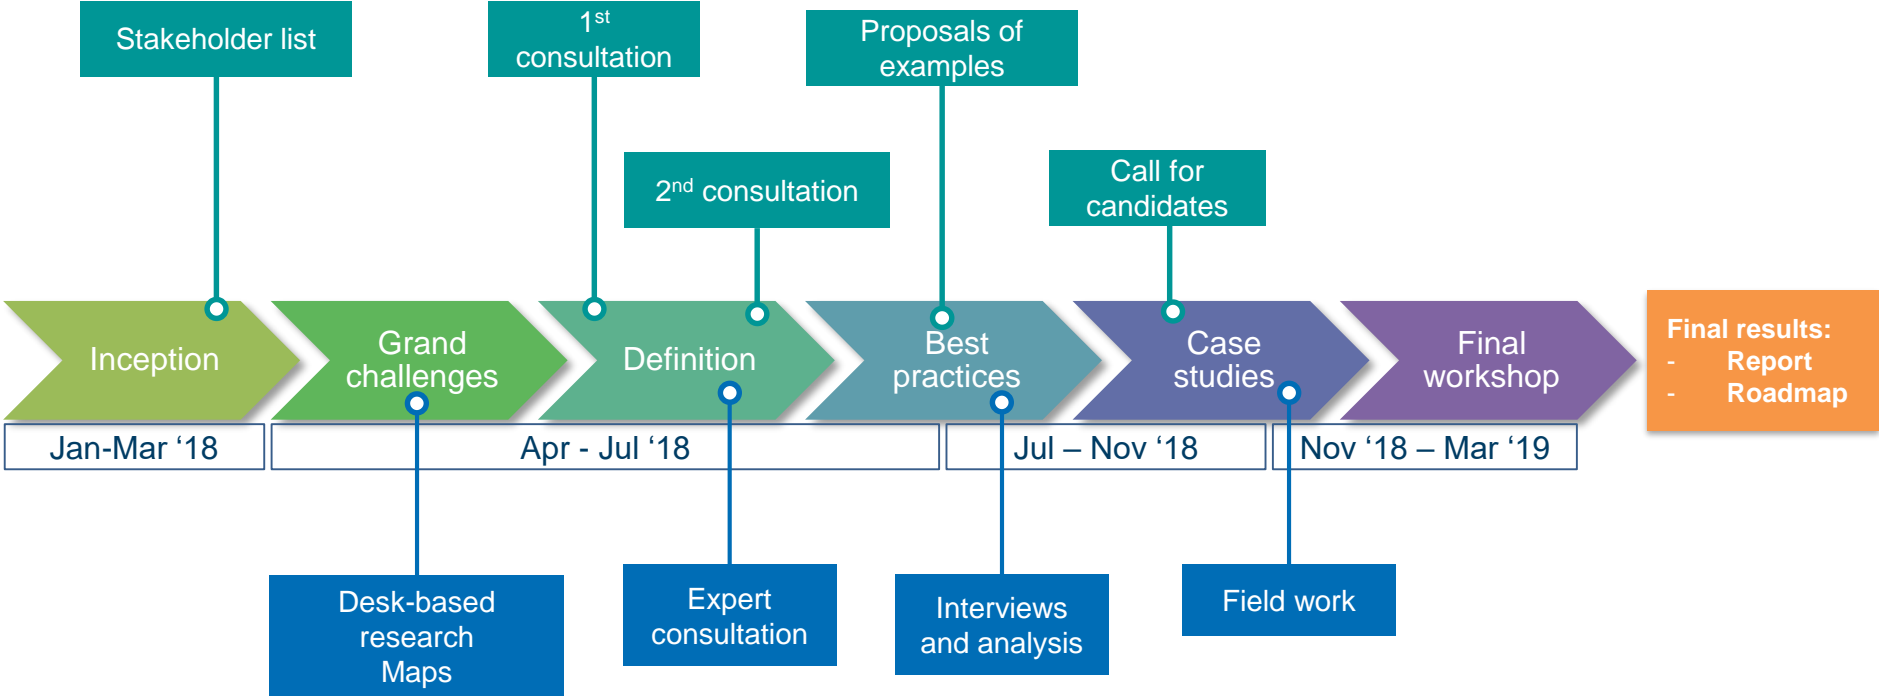

ENRD

12 June 2018

# Objectives of the pilot project

1. To map the **current challenges** of EU rural areas and how to boost **development in rural areas**
2. To develop a **definition** of Smart Villages and explore their **characteristics, drivers and factors of success**
3. To focus on **practical solutions** to overcome challenges and to improve the situation in villages
4. To present **practical, successful best practices** that could provide workable solutions for rural villages, using new and existing tools for promoting development

# Next steps

# SMART VILLAGES

Pilot Project
