# Branding with brand foundations and manual of the corporate identity

### Challenges in our specific mountain area

2. Sustainable mobility

3. The (un)attractiveness of the environment for young families

4. Nature protection

5. Climate change

**6. Fragmented ownership structure** 

7. Management and control

### The impacts of the initiative

#### **MEMBERS OF THE PARTNERSHIP COMMITTED THAT:**

»Joined in the Partnership for Pohorje, we will begin to coordinate goals and projects and create a green destination with an established European brand. We will try to preserve the natural and cultural features and encourage coherent economic and touristic development with an emphasis on the sustainable use of natural resources.«

### The impacts of the initiative

#### SETTING COMMON DEVELOPMENT AND PROMOTION GOALS

- ➤ to bring Pohorje as a green destination closer to other similar destinations in developed Europe;
- prepare a common vision and development strategy and estimate the value of the necessary investments for the entire area;
- be design smaller projects for the promotion of the entire area; development of communal, road and tourist (cycling, hiking and other trails, cable cars, etc.) infrastructure and
- > system management of the entire Pohorje area as a tourist-nature park.

### The impacts of the initiative

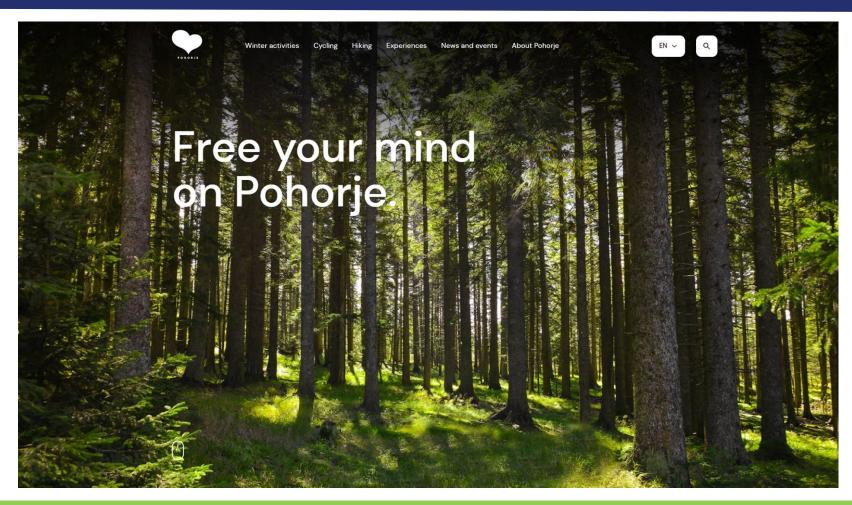

#### **WE HAVE CONTRIBUTED TO:**

- Forting time time de la Pohorje
  - Destination and
- The development of the cycling infrastructure.
